

Fry Krisp Cheese Dog

Fry Krisp Corn Dog Mix

2 lb. Block of your favorite cheese (cheese must be medium hard such as Swiss, Muenster, Cheddar, Colby, Monterey, etc.)

Prepare Fry Krisp Corn Dog Batter Mix and oil according to directions in deep fryer (a deep sauce pan would suffice). Put a piece of cheese 2-3" long and 1" thick on a stick. Twist prepared cheese dog in batter, so batter will cover cheese. Following package directions place in oil and cook.
